Dear Principal,

With Reference to the mail dated 06/11/2020, as per academic calendar, we are forwarding you the tentative **ODD Semester Date Sheet of semester 5 & 3**. The exams will be conducted **on the online mode** (like semester 6 exams). Please ensure that the correct students' data reaches us on time as per previous communication to ensure smooth conduct of exams. We shall organize only one mock test for all the students by **end of November 2020**, which will be compulsory for all the students. Students will be getting their password and passkey through mail and SMS only a day in advance of the scheduled exam dates.

Students must be contacted and instructed to organize laptop, desk top (with video and audio facility mandatory) or the smart phone for the upcoming exams. Apple devices are not compatible with the exam formats.

The Semester 5 & 3 exams will be conducted **only once** through online mode, **there will be NO RE-TEST**. If the student fails to appear for the exam or unable to complete the exam because of auto submit or other reasons, the student will have to appear again next year in session 2021-22 with the ODD semester exams.

All the regular students are already on THIMS; please fill up the examination form submission page over THIMS **for all semester 3 & 5 regular** students
